

To Help Prevent Identity Theft

1. NEVER GIVE OUT PERSONAL INFORMATION:

The *most* important step to protecting yourself from identity theft is to never give out account information to anyone that comes asking for it.

Rocket City Federal Credit Union does not call, text or send emails to ask for account information. Remember - we already have it!

2. KEEP A CLOSE EYE ON YOUR ACCOUNTS:

An excellent way to detect fraudulent activity is to keep a close eye on your accounts. We offer these tools to assist you:

Home Banking

Mobile Banking

Call 24

3. CHECK YOUR CREDIT REPORT:

You should also take advantage of your *free annual credit report check*, which gives an overview of your credit accounts from all financial institutions.

To receive your free annual credit report you can:

- Visit www.annualcreditreport.com or
- Call toll free 877-322-8228

4. OTHER OPTIONS AVAILABLE:

There are several other precautions you can take to protect yourself against identity theft. These government websites provide good precautions, tips and advice on protecting yourself whether online, telephone or by mail.
